

Cortina is a collection that provides an extremely colour shaded, due to the simultaneous presence of various types of wood and different degrees of ageing of the wood: this is the result of a precise process that was developed to discover and choose the most particular slats. At the same time, however, the installed surface is balanced by alternating between more homogeneous and more detailed wooden boards.

Cortina Almond

Cortina Honey

## Cortina

**Type**

Ink Jet Porcelain

**Place of origin**

Italy

**Shade Variation**

V4

**Water Absorption**

≤ 0.5%

**DCOF**

≥ 0.42

**Frost Resistant**

Yes

**PEI**

N/A

**MOHS**

N/A

**Usage**

Residential/Light Commercial

ALMOND

NATURAL
