

# Heritage Platinum

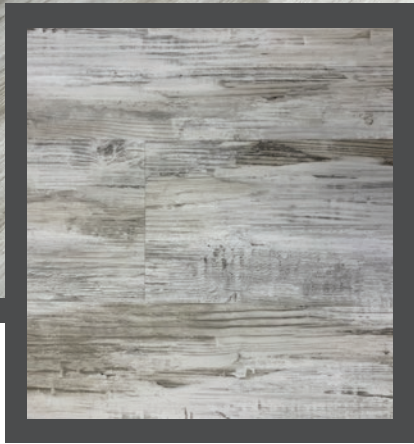

The Heritage Platinum collection will complement both residential and commercial projects with a wide array of multiple color choices to fit any design. This series is rated for heavy traffic use, ease of maintenance, water resistant construction and is pet friendly. Its wide widths and long lengths provide impressive visualization on the floor, allowing the series to lend itself to any size space. Heritage Platinum offers all the benefits of luxury vinyl flooring in a budget friendly combination, providing the perfect aesthetic for your next project.
