

# Heritage Vineyards

Heritage Vineyards is a stunning hardwood flooring product that adds character to any room. A subtle wire brushed process combined with a matte finish, which creates a refined wood appearance that is desired by today's consumers. The low maintenance of a durably enhanced, hypoallergenic and urethane wear-layer, results in an easy to care for, easy to clean, beautiful hardwood floor. Made from White Oak and featuring 10 color options, Heritage Vineyards' style and appearance offers endless design possibilities for your project.
